CROSS COUNTRY

The Lyman boys and girls Cross Country teams turned on many fine performances during the season. The girls upset 8th ranked Lake Brantley in conference and finished 2nd. The boys took the conference championship. Both teams qualified for Regionals by these performances in Districts. The girls placed. The boys finished 2nd. At the Regionals in Boca Raton, the boys team finished on a 3-way tie for the fourth and final qualifying place for state with Lake Howell and Orlando Boone. Lyman finished 5th due to the place of the sixth man. Many runners from Lyman participated in the Kinny Cross Country Championship South Regional in Charlotte, North Carolina over Thanksgiving weekend.

Weightlifting is a sport which requires strength, quickness, and technique. Lifters compete against other lifters in their respective weight classes in two lifts: the bench press and the clean and jerk. They are given three attempts at each lift, and the results of these two lifts are added to reach a total weight. The lifter with the highest total wins for his weight class.

AFS is the international-friendship club! ***A F S*** *stands for the* ***A****merican* ***F****ield* ***S****ervice, a national organization which recruits students from abroad and finds host families for a one-year program. The club supports the American host families in helping foreign exchange students adjust socially and academically to American life. American students may also travel abroad with AFS.*

AFS is open to all students—American and foreign-exchange students from any organization—with interest in learning about foreign cultures and travel abroad. Activites include international dinners with foreign cuisine, slide presentations of various countries, speakers from different cultures and a trip to EPCOT. Each monthly meeting focuses on a different country. Thus far this year, we have heard from Zvia Livingstone, Ireland; Yung Nguyen, Vietnam; and Pascale Bonvalot, France. Additionally, AFS produces the annual talent show, Lyman's Night of Stars, for all talented Lyman students in the Spring.

The National Beta Club
The National Junior Beta Club

Beta is a non-profit leadership-service organization for high school students. Its purpose is to stimulate effect, reward achievement, and to encourage and assist its members to continue their education after high school.

The Lyman High School Chapter of the National Beta Club is now in its fourth year of active membership. Members have been chosen from the 10th, 11th, and 12th grades, who have successfully met the requirements. Prospective members are invited into membership in the spring semester if they have a minimum of 3.2 GPA and teacher recommendations. Other requirements are worthy character, good mentality, creditable achievement, and commendable attitude.

Civinettes is a girls' service club here at Lyman with girls grades 9-12 working hard to be of service to their school and community and having fun at the same time. This past year the Civies helped out their new brother club, the Civitans, get on their feet. During Homecoming, the Civinettes placed second in both Skit Night and the Homecoming float competition. Civies' main goal is to support the local Special Olympics, and also school service projects such as Teacher Appreciation Week. The Civies had a fun, hard working 86-87 school year!

Civitan is a community service organization, and for its first year it really has gotten off to a good start! We have helped with the Special Olympics in Kissimmee and a Special Olympic Walk-a-thon at Wekiva. Our car wash and dance were successful fundraisers and we plan to do much more throughout the year. Watch for the Civitans at Lyman!

CONCERT CHOIR

In concert choir, we try to improve our vocal quality, learn more about music and develop some relationships. We sing at nursing homes and homes for retarded children. We have winter and spring concerts, but most of our year is concentrated on District and State Festival. We concentrate on three or four pieces of music, and perfect them.

DCT stands for Diversified Cooperative Training, meaning students are able to work in any job they are qualified for. The DCT club selects students who go to school part of the day and work the other. The club competes primarily with business skills in other high schools in the state and builds a good working relationship between the employer and employee. With the help of fellow students and other clubs, DCT has had a very good year.

Gina Rogers, David Lang, and Debbie Mikuta tell us a sad tale.

Tiffany Broadbent proves she can hold her own as an overdramatic high school girl.

Alan Byrd, the assistant principal of Calvin Coolidge High.

The Drama Department puts hundreds of hours of work each year into the production of two school plays. These plays are presented to the students and general public. All sets and costumes are made by Drama Department members. Drama members also direct sound cues, work lights and help direct plays.

In addition to the productions, the Thespian troupe participates in a district and state competition with other Thespian troupes. With these activities and various inter-club activities, the members put many hours of work in the theater arts. Each member possesses a certain talent, acting or behind the scenes work, and the Drama Department provides members with the opportunity to use these talents.

The Greyhound Growl has been Lyman High School's newspaper for over twenty years. This year's staff of eleven members worked extremely hard to turn out the most informative and entertaining paper in the school's history. To provide a forum for Lyman students, the Growl has expanded its coverage of clubs and sports, calling for an increase in pages.

The staff would like to thank Journalism I, and many individual students for their contributions to this year's Greyhound Growl. Also, a special thanks to our sponsor, Mrs. Sue Stoufflet, for all her constructive criticsm and guidance.

We wish next year's staff the best of luck and hope that they will continue to uphold the honor and ideals of this Lyman tradition.

Interact is an international, worldwide service Organization. Its purpose is to provide opportunities for young men and women to work together in a world fellowship dedicated to service and international understanding. Interact's primary goals are to recognize and develop constructive leadership and personal integrity. To build respect for the rights of others based on recognition of the worth of each individual person. To emphasize acceptance of individual responsibility as the basis of personal success, community improvement, and group achievement, and to provide opportunities for gaining increased knowledge and understanding of community, national, and world affairs. In all, Interact strives to build a better relationship between the student and his school, community, nation, and most importantly, himself. The accomplishments of interact towards the community were many and far reaching. Interact established and co-sponsored the excellence in education scholarship fund. This club is oriented towards working with local organizations in the community. We have in the past, as well as in the present, sponsored the Annual Thanksgiving Food Drive. Our club has worked with and helped such organizations as the Central Florida Hearth Association, The Central Florida Zoo, The Humane Society, and Seminole County Social Services. Through our continued efforts, we are able to help support these and many other organizations. So, if you feel that you wish to better the community as well as yourself, and to develop your leadership skills and your understanding of the world around you, come and join us.

Keyettes is a service club for girls at Lyman, grades 9-12. Members are encouraged to show leadership and character. Through Keyettes, girls have the opportunity to develop responsibility and initiative as well as work and grow together as a group. During the 1986-87 year, the club participated in one of the most successful Reading Is Fundamental programs in the nation. With the help of fundraisers, Keyettes bought books for the children at Midway Elementary School in Sanford.

National Honor Society is a national organization whose goals are to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character in students of secondary schools. The Lyman High School Chapter was founded in 1967.

To be eligible for membership, students must exhibit high levels of leadership, character, and service and maintain at least a 3.4 grade point average. Members are chosen by a faculty committee, and new members are inducted in the spring. Each year Lyman's Honor Society services its school and community by offering a free tutoring program.

Thespians is an international honor society for individuals who show outstanding ability in theatre arts. Thespians also compete with their acting abilities at District and State levels. It is a more advanced form of Drama. A Drama Club member becomes a Thespian only after 100 hours in the field. The Thespians help out the Drama Club in as many ways as possible and are involved in promoting their own and the Drama Club's acting abilities. The Thespians are a competent group of young actors working their way to fame!

FUTURE FARMERS OF AMERICA

The Future Farmer of America (FFA) is a national vocational youth organization for students enrolled in agribusiness. The primary aim of the FFA is the development of agricultural leadership, cooperation, and citizenship. The FFA motto is "learning to do, doing to learn, learning to live, living to serve". The goals of FFA are to develop leadership, cooperation, citizenship, and horticulture knowledge and skills.

Each student has his/her own duties. James must identify ornamental plants; for example, judging ficus in a contest. David must prepare growing mediums and seedbeds; for example, sowing vegetable seeds in a garden plot. Mike must propagate nursery stock; for example, taking cuttings of philodendron. Alan must prune nursery stock; for example,
pruning cropper leaf plants. Shannon must irrigate plants. She works with a drip irrigation system. Shane must control insects, diseases and other pathogens. He sprays insecticide in the greenhouse. Lanell must harvest and market nursery stock; for example, selling a plant to a teacher. Other duties include: operating, repairing, and maintaining nusery equipment; maintaining and analyzing records; and demonstrating employment abilities.

V.I.C.A., which stands for Vocational Industrial Clubs of America, is an extra-curricular club for sophomore to senior age vocational students. It is basically centered around competing on regional, state, and national levels in leadership and skills contests. These contests help prepare students for career fields they may enter in the future.

V.I.C.A. has served nearly four million high school and postsecondary students since 1965. The classes at Lyman that can participate in V.I.C.A. are air conditioning, auto mechanics, carpentry, drafting, electronics, and masonry.

V.I.C.A. is continually trying to expand by getting more students involved. This year the V.I.C.A. club participated in Homecoming by building a float which tied for second place, was involved in a community service project, and participated in skills and leadership contests. In the summer of 1986, the Lyman V.I.C.A. club sent a student, James Skinner, to national competition in auto mechanics. James took second place in this competition, winning thousands of dollars in tools, free schooling, and equipment for the auto mechanics class. The V.I.C.A. club has always done well in competition in each of its participating fields. This year's main goal is to be the best V.I.C.A. club Lyman High has ever had.

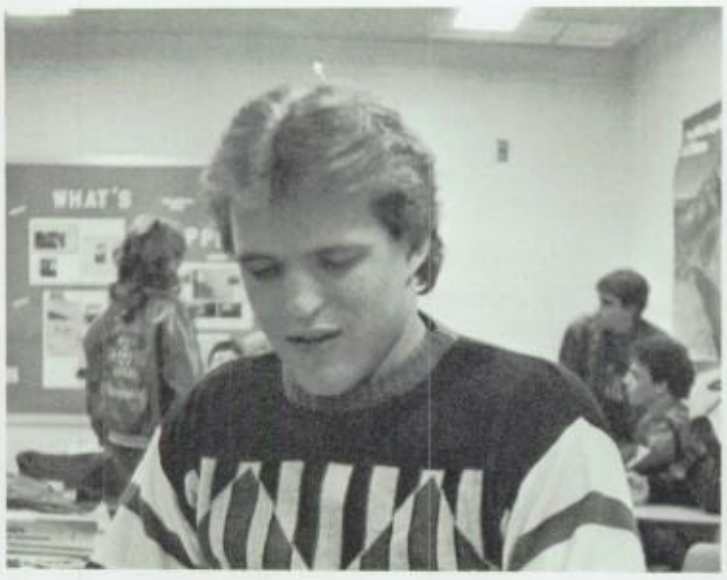
SCHOLASTIC TEAM

Back Row; Lt. to Rt.: Natalie Stoney, Sonja Hoskins, Greg Heiser, Jamie Burns, David Chiaro, Scott Clifton, Front Row: Dhara Mehta, Michelle Peterson, David Lang, Bill Rencher.



The Scholastic Team, led by co-captains David Lang and Michelle Peterson, is a group of students who compete against other schools in academic question and answer contests. Scholastic Team members must have knowledge in a variety of areas, including mathematics, humanities, science and literature. The team meets five times at different county high schools. Each contest consists of three school teams, one asking questions and two competing to answer first. When the season is over, one person from each school team helps to form the county team. They then compete as a county at state meets.

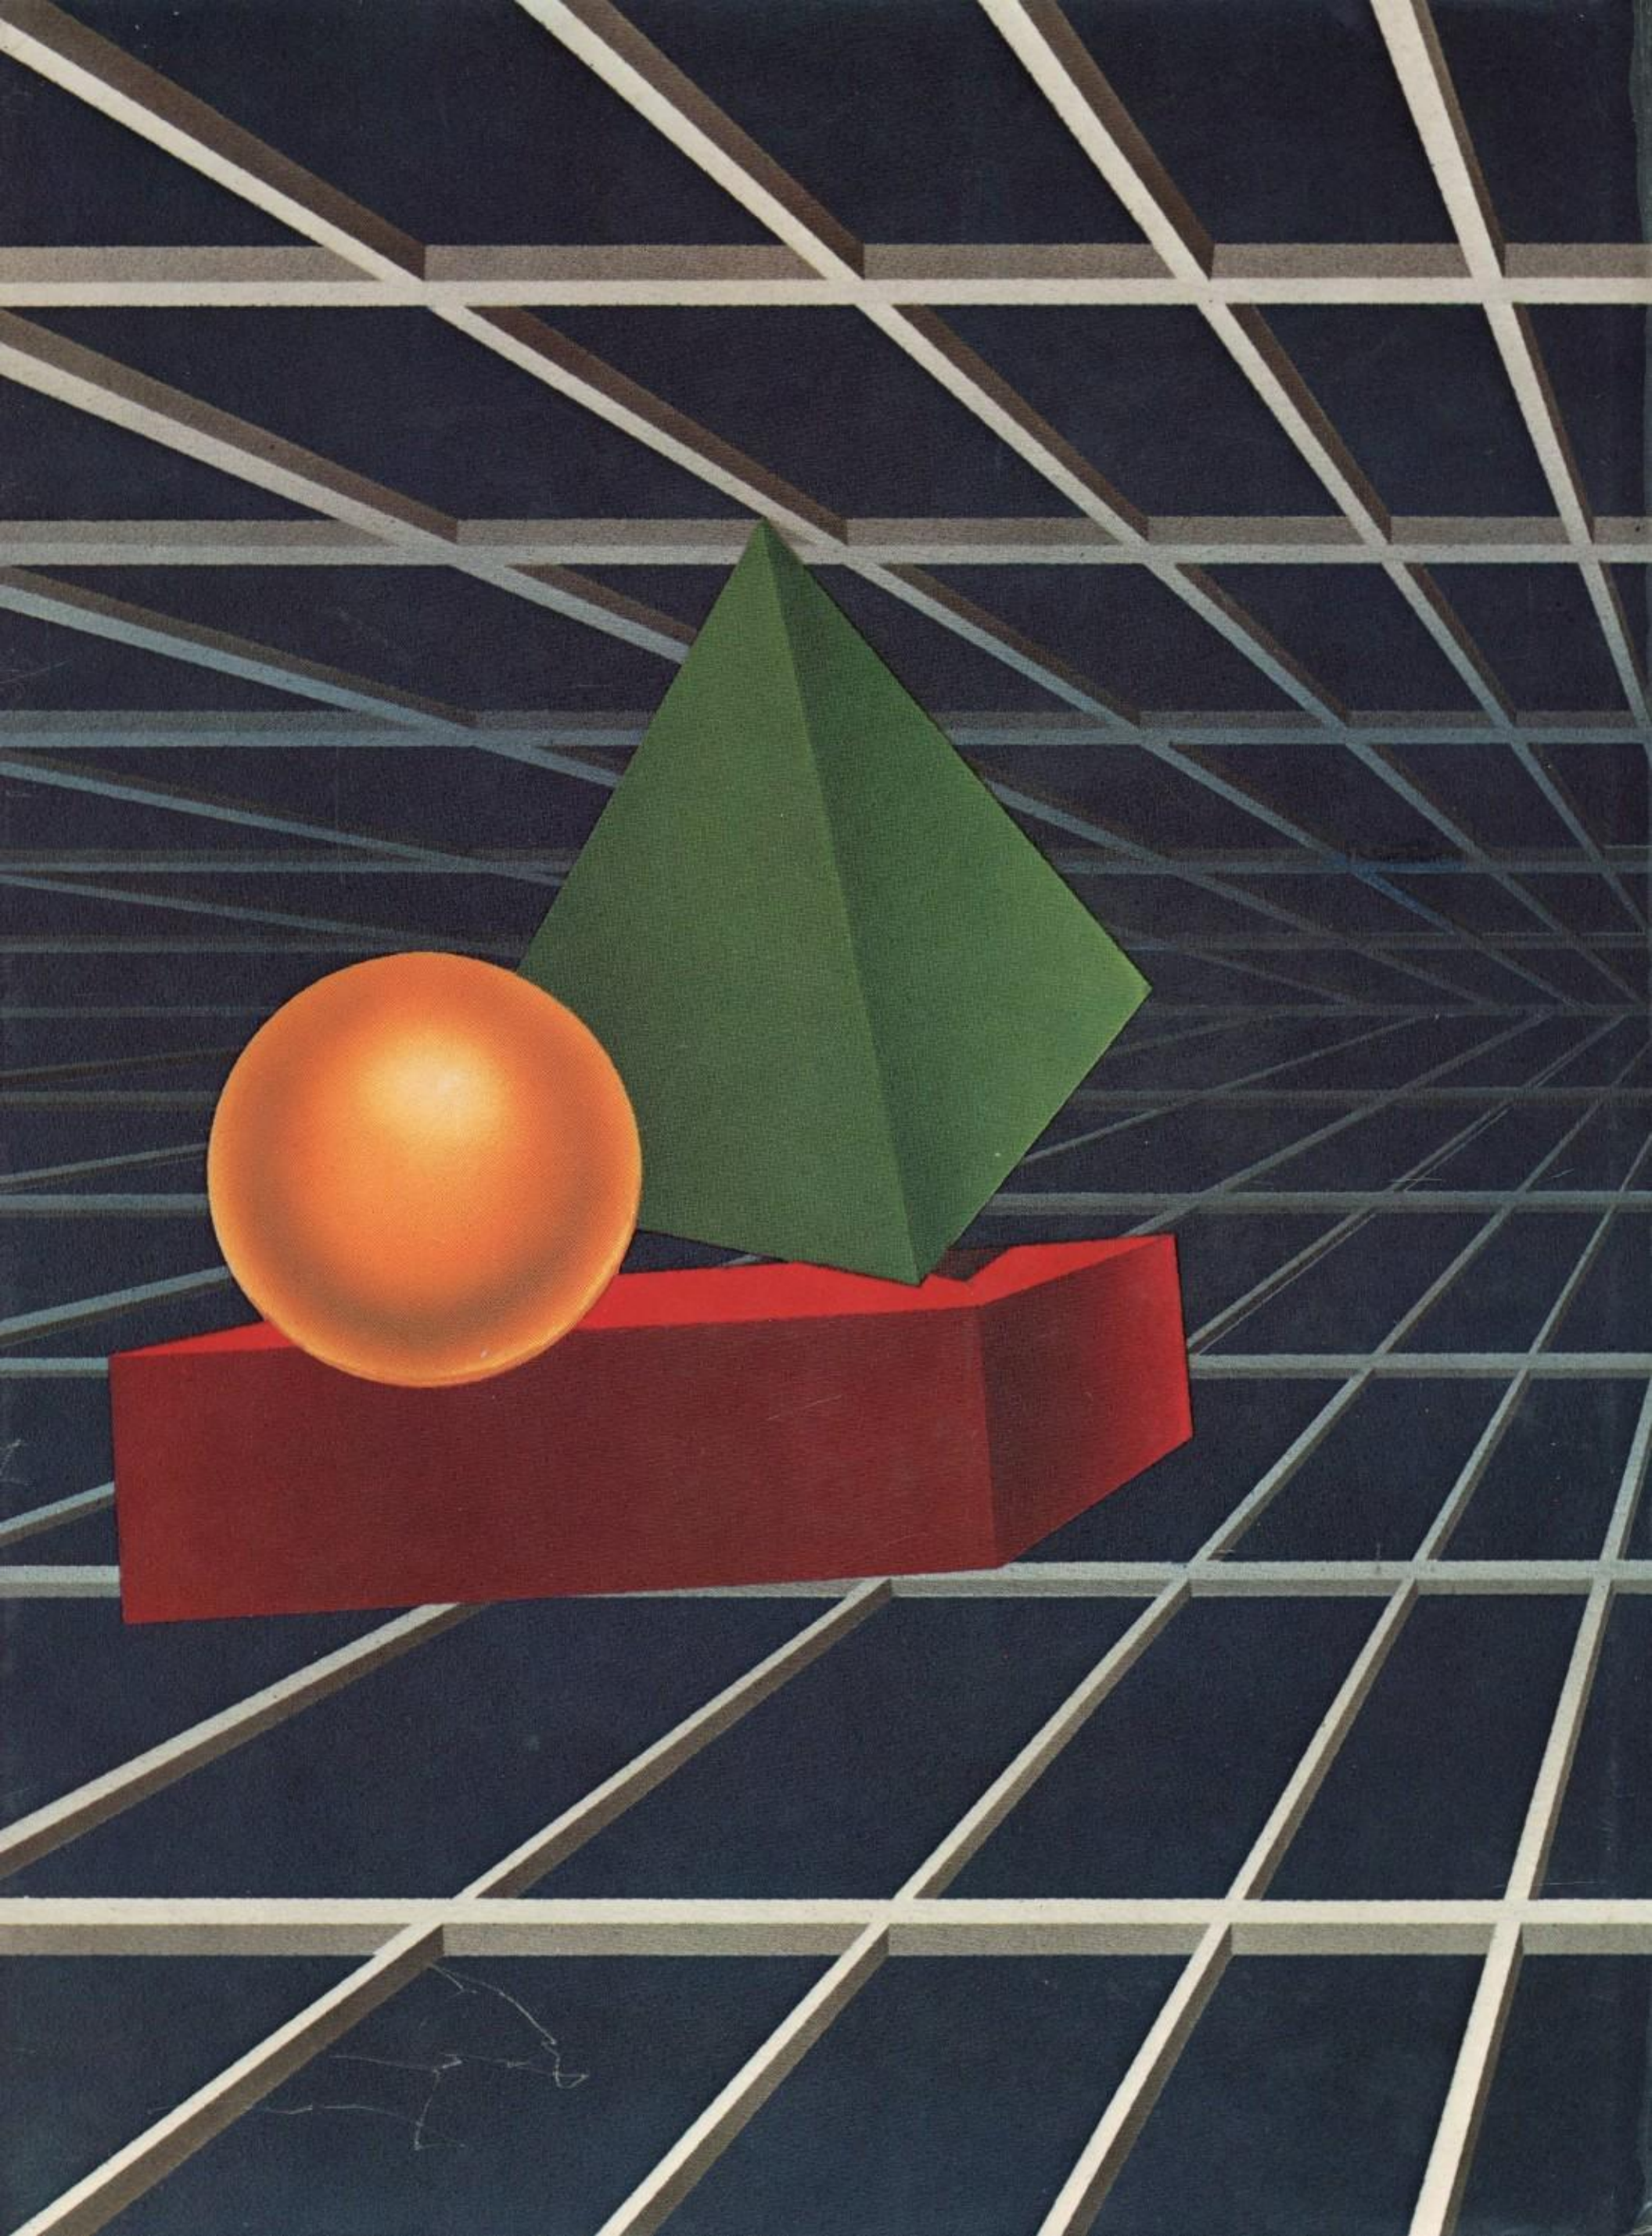
As the year comes to a close, we find ourselves looking back on the memories of yesterday. We hope that the hard work and long hours put into this yearbook will enable you to cherish these memories for years to come. We would like to thank Ms. Stoufflet and Uncle Ron for all of their advice, and Doug Demaree, our Herff Jones representative. A very special thanks to the bookkeepers and our yearbook staff for making this all possible.


Sincerely,
